

Global Issues Problem Solving Booklets

Practice Problem Booklets: Blank team and/or individual booklets should be downloaded and copied as needed from the flfjsp.org website, under “Important Documents for Coaches.” Please do not double-side the copies! Make a copy of the Future Scene (FS) in this manual for *each team member* or Individual, and be sure to use the correct age division (Junior OR Middle/Senior). For Practice Problem #1: The Junior FS is on page 27, and the Middle/Senior FS is on page 28. For Practice Problem #2: the Junior FS is on page 30 and the Middle/Senior FS is on page 31. For each practice booklet submitted, complete the colored cover page provided with registration materials. Staple or paperclip the students’ original booklet together with the cover sheet and send the booklet(s) to designee at the bottom of the cover sheet.

Originals and copies: All work submitted must be the original work of the students. In practice problems, **coaches should make a copy of students’ entire submission.** *Making copies protects against the possibility of mail loss, which has happened in the past.*

Problems to be completed: Teams do not *have* to submit both practice problems; however, it is to their advantage to do so. For Practice Problem #1, steps 1-3 will be evaluated. For Practice Problem #2, all 6 steps will be evaluated. Teams must participate in the Qualifying Problem competition (District or Open) in order to be considered for the Affiliate Competition.

Submitting practice booklets for unregistered teams: Teams should be registered **BEFORE** booklets are submitted. However, if you must submit a practice booklet for an unregistered team, complete an additional registration form and attach it with a check or purchase order to the booklet. These additional unregistered booklets will only be accepted from coaches who have already registered at least one team.

Mailing the booklets: Each practice problem submitted for evaluation must be digitally submitted or mailed First Class or sent through the District Courier Service (if available) **to arrive** on or before the date cited on the cover sheet. Booklets must be sent to the District Representative indicated on the colored cover pages.

Problem #1: Due within District, See PP#1 Cover Sheet for District-specific due date

Problem #2: Due to GIPS Coordinators, December 16, 2022

Qualifying Problem: Completion date will be determined by District; Open district will receive packet with due date

Evaluation sheets returned: In the event of paper evaluations, the evaluation score sheets will be mailed back to you. You can usually expect to receive your evaluations three to four weeks after the due date. Digital scoresheets will be returned more quickly.
